*Welcome Letter from
Executive Director
Lynn Tang*

Dear EACG attendees,

Welcome to the 2015 Epic Animation Comic and Game (EACG) Fest in the beautiful East Bay of San Francisco in California. All EACG activities will be held in the Albany Community Center in the city of Albany. This will be our very 2nd edition of showcasing animations, comics, and games. We will be bringing artists from around the world to screen, exhibit and compete their work for the local audience.

We will be screening over 50 animated films that have been selected from submissions from all over the world. There will be special guest appearances from both domestic and international.

This year's gaming tournament features two games, Mahjong, a traditional game originated in China, and cube puzzle, a classic but very challenging game. In addition to the fun, we will also be hosting panels regarding industry updates and a red carpet award ceremony with recognitions to some of the best competitors.

On behalf of the entire EACG committee, we thank you for being a part of our festival. EACG will continue to grow with your support and care. I sincerely thank for the sponsors, supporters, volunteers who make this event possible.

Sincerely,

Lynn Tang
